## Testimony

by Marilyn Boone

Our family had, for years, attended North Rocky Mount Church of God which was my husband's home church; but as my daughters became more active at Red Oak, I made the decision to make this place my forever church. I was so inspired by my time at ROBC that I remember thinking, "I'm home at last." It was just the beginning of our becoming part of the ROBC Family. Here at Red Oak Baptist, *service* is the key word. Jesus called our family to serve in many capacities, such as singing in the choir, teaching Sunday School, the Baptist Men, and many other opportunities. We found our Church HOME and pray that others will find the same. So many saints of this church helped us along the way. It's the Christ-led people that make up this church and continue to lead and serve the Lord. It is the current and past members here at Red Oak Baptist Church who opened the doors and welcomed us in. We are so glad to be here. We are home.

## FINANCIAL GIFTS: SPIRITUAL EMPHASIS

There will be testimonies from our favorite speakers on select Sunday mornings concerning how God has met the need for expanding our worship space in the past. You will also see testimonies in written form at various times and places. One such project includes a "Prayer Tree" based on the Wailing Wall in Jerusalem.

**April 10 - May 18:** We will be calling for a 40 day, church-wide prayer and fasting. Don't worry! We will give details and helpful ideas prior to this campaign.

**April 14:** We are planning a Stewardship Sunday school lesson on Sunday morning. Adult Sunday school attendees should meet in the sanctuary at 9:30AM. The following Sunday service will commence at the Family Life Center.

**April 15-20:** Week of Spiritual Emphasis. You will be provided a flip chart with selected bible verses from which you can focus your family devotion time. We will also implement the church's One-Call system with a reading of that day's verse and a short verbal devotion. We advise you to allow the call to go to voicemail so it can be played at the most convenient time.

Please join us as we pray often for God's will in all that we know!
